

# ARTrageous!

....where it's great to create!

## Mosaic Tips & Tricks

1. Choose your wood base, and check-out our myriad of colorful mosaic pieces. Select your favorites, and place a handful of each into the muffin tins provided.
2. Lay your mosaic pieces out into a design you like. Then use plenty of Weld-Bond Glue them to secure them to the wood base.
3. Leave 1/8-inch or more space between mosaic pieces.
4. Nip pieces to size if desired (wear goggles and nip into a basket!)
5. Create a single-layer design. Don't stack mosaic pieces.
6. Place mosaic pieces up to the edge of your wood base, but don't let them hang over.
7. Face your tesserae SMOOTH SIDE UP (the ridged-side faces DOWN)
8. Let dry 24 hours before grouting
9. We supply you with an at-home grouting kit, which is included in the price of your mosaic piece.
10. Select WHITE, BLACK, or GRAY grout. (WHITE grout brightens your piece; GRAY unifies the design; BLACK adds drama.
11. ARTrageous can grout your piece, if desired, for an additional charge.
